

THE CONSTITUTION OF THE AUSTRALIAN CALLERS FEDERATION.

1.0 NAME.

1.1 The name of the body shall be "The Australian Callers Federation" (referred to as ACF).

2.0 AIMS.

2.1 To effect the following aims within Australia -

- (a) To operate as a National Body in the art and science of Square Dance Calling and to provide leadership and a coordinating role in Australia for Square Dance Callers and Caller Associations.
- (b) To be active in all phases of promoting the art and science of square dancing.
- (c) To standardise the art and science of square dance teaching, calling, and caller training.
- (d) In accordance with our aims, cooperate with all square dance organisations for the betterment of the art and science of square dancing as a whole.
- (e) To set standards to which callers may aspire.
- (f) To recommend the caller standard that should apply when programming callers for national conventions.

3.0 STRUCTURE OF ACF.

It shall operate as a Federation of Australian Callers and Caller Associations, performing the role of a National Body providing leadership and coordinating activities to further square dancing within Australia. It shall be governed by a constitution, and a board elected by the Members and Affiliated State Associations. It shall be a non-profit organisation directing all its resources, however derived, to its operation and to the pursuit of its aims.

4.0 MEMBERSHIP.

4.1 Membership is open to individuals and associations.

4.1.1 (a) Individual There are two categories of membership for individuals.
(i) Caller member.
(ii) Associate member.

(b) Association There is membership for a State or Territory Caller Association. Such an association will be known as an "Affiliated State Association".

4.1.2 Caller Member Minimum Criteria

Caller members are persons who call regularly, at least, one solo night per month, or two shared nights per month, for a square dance club and have done so for at least one year. They will be required to remain active and to show involvement in the teaching of square dancing.

Persons who are recognised as genuine trainee callers will also qualify. A trainee must have demonstrated commitment to self development as a square dance caller. This may include attending a caller class, or a traineeship with a caller or club. Regular guest calling in their area is essential but not a sufficient commitment. This person should be making progress in their development as a more active caller.

4.1.3 Associate Member Criteria

Associate members are persons who -

either (a) call but do not meet the minimum criteria of a caller member,

or (b) a retired Caller

or (c) a person responsible for running a square dance club but not actually calling.

or (d) a caller who is usually resident outside Australia. A caller usually resident overseas requires a written request for membership only, and not a formal application. Such request is to be considered and voted on by the board. Associate members resident overseas are not subject to accreditation by the ACF. Associate members do not have voting rights.

4.1.4 Affiliated State Association Criteria

Any State Association that has, as its prime objective, the nurturing and development of square dance callers, subject to that association's satisfying clause 4.2.2 below.

4.1.5 Individual Life Member

This is an awarded position to honour a member. Nominations should be made in writing to the board for their consideration and recommendation. Nominations recommended by the board are to be ratified by a simple majority of the general membership at a general meeting. Consideration should be given to -

(i) The relative length of service.

(ii) The quality and amount of special duties performed.

(iii) The scope of service which should include special duties at the "grass roots" for the State Affiliated State Association.

A Life member is not required to pay an annual membership fee, and is entitled to receive a copy of the ACF publications such as "Callerlink" or its equivalent.

4.1.6 Membership Fees

Fees are set out in the By-Laws.

4.2 Joining Procedure

4.2.1 Individual

Applications for individual membership will be accepted from either, the individual, or from an Affiliated State Association on the individual's behalf, and must include the following items -

(i) A completed "Caller Membership Application Form" signed by the member. The information supplied is to be verified by the State Caller Association. The information form enables the ACF to keep accurate and relevant information on Australian callers.

- (ii) A payment of approved fees as detailed in the ACF By-Laws.

The board reserves the right to refuse membership, but if it does so, the reason for refusal will be given, and subject to review, with the "Right of Appeal", as detailed in the ACF By-Laws.

4.2.2 Affiliated State Association

To become an Affiliated State Association, an association will be required to sign the "Cooperative Agreement". The Cooperative Agreement is included in the By-Laws.

Before signing the agreement, a caller association should pass an appropriate resolution agreeing to become an ACF Affiliated State Association. After signing the ACF Cooperative Agreement an Affiliated State Association should register all of their "caller members" who would satisfy this definition above in clause 4.1.2, and who are not already members of the ACF.

An Affiliated State Association may grant an exemption from joining the ACF, to a member who has a serious objection to being a caller member of the ACF.

5.0 MEMBER ACCREDITATION.

There are two levels of accreditation for caller members –

- (i) Accredited caller - achieved by being eligible to call at an Australian National Square Dance Convention in accordance with the National Convention Calling Eligibility Requirements, as contained in the ACF By-Laws.
- (ii) Non-accredited caller.

The system of calculating the allocation is to be contained in the By-Laws of the ACF. No Affiliated State Association (State or Territory) should have more than four (4) board members, including independent members, at any one time. Affiliated State Association board positions are confirmed prior to any election for independent board positions. If an Affiliated State Association is unable to fill all of the positions allocated to it, then the unfilled positions are considered to be independent board positions and filled accordingly.

- (b) An independent board member position will be decided by members voting in a ballot (if required) at the Annual General Meeting.

This clause applies when a board position becomes vacant between Annual General Meetings. The Affiliated State Association may elect a replacement to complete the three-year term of their previous representative. The replacement shall only be valid until the next Annual General Meeting, where the meeting will be required to confirm the replacement, thus enabling the term of that position to be completed.
